## Paper-03: Disaster Management Structure – Coordination & Response

M. Marks : 100
Theory : 80 marks
Int. Ass. : 20 marks
Time : 3 hours

**Objective**: - The course will dwell on the standard operating procedures and contingency planning related to disaster management.

**NOTE:** There shall be 9 questions in all. The first question is compulsory containing 15 short answer type questions spread over the whole syllabus to be answered in about 25 to 30 words each. The candidates are required to attempt any 10 short answer type question carrying 20 marks of 2 marks each. Rest of the paper contain 4 units. Each unit shall have two questions and the candidates shall be given a choice of attempting one question from each unit – 4 in all. Each question will carry 15 marks.

### Unit-I

Planning and designing disaster management strategies, policies, schemes, Standard Operating Procedure for enhancing preparedness and capabilities at National and Regional level at the time of disaster/war like situation

### Unit-II

Allocation and management of resources:

a. Financial aid/ resources
b. Medical resources
c. Electrical, mechanical and engineering resources
d. Communication resources( including its integration with command and control mechanism)
e. Transportation resources
f. Food and essential commodity resources
g. Human resources
h. Infrastructure restoration and build up

## Unit-III

Disaster Management training – Policies, emergency management teams, managing media and the Role of Information Technology

Capacity Building and Role of Leadership in Disaster Management

## SEMESTER-II

### Paper-04: Disaster Management – Relief and Rehabilitation

M. Marks : 100
Theory : 80 marks
Int. Ass. : 20 marks
Time : 3 hours

**Objective:** - The paper will study to understand the challenges and issues during post event management/recovery/rehabilitation besides offering strategies used to resolve them.

**NOTE:** There shall be 9 questions in all. The first question is compulsory containing 15 short answer type questions spread over the whole syllabus to be answered in about 25 to 30 words each. The candidates are required to attempt any 10 short answer type question carrying 20 marks of 2 marks each. Rest of the paper contain 4 units. Each unit shall have two questions and the candidates shall be given a choice of attempting one question from each unit – 4 in all. Each question will carry 15 marks.

### Unit-I

Disaster Management Policy of India

Post-disaster management measures – Recovery and re-construction measures on medium and long term basis

## Unit-II

Mobilization of available and non-available resources

Social and economic upliftment measures: capacity building for re-construction and rehabilitation, fostering skills of livelihood, training and awareness programme, medical aid and counselling

## Unit-III

Relocation and re-construction of housing, buildings, roads, dams, bridges, archives, monuments including water supplies, electricity, communication, waste management

Socio-economic and psychological effects of disasters on victims

## Unit-IV

Legal provisions of Disaster Management

**Books Recommended:**
