PANJAB UNIVERSITY CHANDIGARH

Outlines of tests, syllabi and courses of reading for M.Phil. Course in Public Administration for the session 2012-13.

First Semester

Paper	Title	Credits	Marks
Compulsory Papers			
1.	Philosophical Foundations of Administrative Theory	4	100
2.	Advanced Research Methodology and Research in Public Administration	3	75
Any two of the following			
3.	Public Policy	4	100
4.	Dynamics of Indian Administration	4	100
5.	Economic Administration and Public Enterprises Management	4	100
6.	Local Governance in India	4	100
7.	Dynamics of Social Administration	4	100

Second Semester

Paper	Title	Credits	Marks
Compulsory Papers			
1.	Computer Applications in Public Administration	3	75
2.	Dissertation	6	150

Note:

1. As per the decision of the Board of Control 80% weightage is to be given to theory examination and 20% to Term Papers (Content & Presentation)/Book Reviews/ Class Participation in each paper.

2. The Dissertation division of marks shall be as under:

i)	Research design preparation and presentation	10 marks
ii)	Dissertation evaluation	120 marks
iii)	Viva Voce Examination	20 marks

M.Phil. (Public Administration)

Semester-I

Paper-1 (Compulsory) **Credits 4**

Max. Marks: 100
(Theory: 80 – Term Paper: 20)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions. All questions carry equal marks.

Objective of the Course: The purpose of this paper is to make the students familiar with various theories and approaches of administration. The emphasis would be on critical analysis and understanding of the detailed aspects of traditional and modern theories of administration.

Philosophical Foundations of Administrative Theory

A critical analysis of the philosophical foundations of major theories and approaches of administration such as : Classical; Scientific Management; Bureaucratic; Human Relations; Decision Making; Public Choice; Principal- Agent; Entrepreneurial; Behavioural; and Systems Approach.

Selected Readings

1. Thomas D. Lynch and Todd J. Dicker (Eds.), Handbook of Organisation Theory and the Philosophical Approach, New York, Marcel Dekker Inc., 1998.

2. Jack Rabin et. Al. (Eds.), Handbook of Public Administration, New York, Marcel Dekker Inc., 3rd edition 2007.

17. M.E. Dimock, A Philosophy of Administration, New York, Harper and Row, 1958.

M.Phil. (Public Administration)
Semester-I

Paper-2 (Compulsory) **Credits 3**

Max. Marks: 75
(Theory: 60 – Term Paper: 15)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions. All questions carry equal marks.

Objective of the Course: This paper attempts to make the students familiar with various aspects of Research Methods in detail and prepare the students for undertaking research in Public Administration.

Advanced Research Methodology and Research in Public Administration

Science, Assumptions of Science and Scientific Methodology. Rationale of Scientific Methodology.

Types of Research: Basic Applied and Evaluation.

Qualitative Research Approach: Concept and Significance.

Basic Elements of Research: Research Problem, Units of Analysis, Concepts and Variables, Objectives, Research Questions and Hypothesis.

Research Design: Basic Research Design, Applied Research Design and Evaluative Research Design.

Sampling and Sampling Design

Methods of Data Collection, Data Processing, Analysis, and Hypothesis testing.

Report and Thesis Writing

Survey of Research in Public Administration in India, USA and UK.

Selected Readings

M.Phil. (Public Administration)
Semester-I

Paper-3 (Optional) **Credits 4**

Max. Marks: 100
(Theory: 80 – Term Paper: 20)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions. All questions carry equal marks.

Objective of the Course: Policy Science is an emerging area in the field of Public Administration. This paper attempts to make the students aware of different aspects and stages of Public Policy. In addition, the students will be taught different models and approaches to Policy Formulation, Evaluation and Implementation from a critical point of view.

Public Policy

Policy Science and Emerging Concerns in Public Policy.

Democracy, Bureaucracy and Public Policy.

Policy Formulation Process: Problem Definition, Policy Choice, Institutional Framework.

Policy Making Models: Systems Model, Rationality Model, Institutional Model.

Policy Implementation: Approaches and Design.

Policy Evaluation: Design, Utilisation and Impact.

Selected Readings

M.Phil. (Public Administration)
Semester-I

Paper-4 (Optional) **Credits 4**

Max. Marks: 100
(Theory: 80 – Term Paper: 20)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions. All questions carry equal marks.

Objective of the Course: The attempt of this paper is to make the students understand the current issues and problems being faced by the administration in India. Certain important issues like Administrative Reforms and Right to Information will be taught to the students.

Dynamics of Indian Administration

Parliamentary Democracy in India
Relations between Centre and the States; Restructuring the Centre-State Relations
Coalition Government and Politics in India
Administrative Reforms in India
Generalist and specialist
Transparency and right to information with special reference to RTI Act
Integrity in Administration

Selected Readings

1. Subash C. Kashyap: Coalition Government and Politics in India, Uppal Publishing House, New Delhi, 1999.
2. T.N.Chaturvedi (Ed.), Towards Good Governance, New Delhi, Indian Institute of Public Administration, 1999.

M.Phil. (Public Administration)

Semester-I

Paper-5 (Optional) **Credits 4**

Max. Marks: 100
(Theory: 80 – Term Paper: 20)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions. All questions carry equal marks.

Objective of the Course: The specialized paper attempts to make the students understand various issues, problems and approaches of economic policy with emphasis on the management and performance of public enterprises. The students are also made aware of Public Enterprise Reforms including theory and practice of privatization.

Economic Administration and Public Enterprises Management

The Nature and Scope of Economic Administration

The Economic Rationale for Government Intervention: Traditional and New Right Approach.

The Concept of Public, Private and Mixed Goods

Economic Policies: Fiscal, Monetary, Trade and Industrial

Globalization with special reference to World Trade Organisation

Public Enterprise Management – Organisation, Forms, Governing Boards, Parliamentary and Government Control over Public Enterprises.

Public Enterprise Performance: Theory and Practice.

Public Enterprise Reforms in India.

Privatisation: Theory, Policy and Practice.

Selected Readings

1. B.P.Mathur, Public Enterprise Management, Delhi, Mc Millan, 1997.

2. Murray J. Horn, The Political Economy of Public Administration: The Institutional Choice in the Public Sector, Cambridge, Cambridge University Press, 1997.

M.Phil. (Public Administration)
Semester-I

Paper-6 (Optional) **Credits 4**

Max. Marks: 100
(Theory: 80 – Term Paper: 20)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions. All questions carry equal marks.

Objective of the Course: Local Governance which has traditionally been the core area of Public Administration is taught to the students from the historical perspective. The constitutional provisions as well as political and administrative structure for local governance is also taught to the students. The students are also made aware of the important areas like rural and urban development and the role of Non-Governmental Organisations.

Local Governance in India

Local Governance: A Historical Perspective

Rationale and Significance of Local Governance

Constitution and Local Governance

Political and Administrative Structure for Local Governance

Provisions relating to Public Utilities

Administering Rural/Urban Development

Non-Governmental Organisations and Local Governance

Selected Readings

1. D.K.Das, Rural Sector and Development: Experience and Challenges, New Delhi, Deep and Deep, 1999.

2. S.M.Dahiwal, Rural Poverty and Slums, Jaipur, Rawat Publications, 1997.

3. Kulwant Singh and Florian Steinberg, Urban India in Crisis, New Delhi, New Age International, 1996.

9. M.Nageshwara: Urban Policy in India, New Delhi, Allied Publishing House, New Delhi, 1985.

M.Phil. (Public Administration)
Semester-I

Paper-7 (Optional) **Credits 4**

Max. Marks: 100
(Theory: 80 – Term Paper: 20)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions. All questions carry equal marks.

Objective of the Course: This paper attempts to familiarize the students with various important aspects of social administration in India particularly social welfare and social change. The role of Non Governmental Organisations will also be discussed.

Dynamics of Social Administration

Social Development and Social Change: A theoretical perspective

Social Welfare in the context of Globalisation

Role of Non-Governmental Organisations in Social Development

Women and Child Development: Policies and Programmes

Welfare of the Aged and Disabled

Selected Readings

1. Martin Doornbos and Sudipta Kaviraj (eds.), Dynamics of State Formation, New Delhi, Sage Publications, 1997.

2. Noorjahan Bava, Non Governmental Organization in Development: Theory and Practice, New Delhi, Kanishka, 2008.

3. P.D.Kulkarni and Mehar C. Nanavatty, Social Issues in Development, New Delhi, Uppal Publishing House, 1997.

M.PHIL (PUBLIC ADMINISTRATION)

Semester-II

Paper-I (Compulsory) **Credits – 3**

Max. Marks: 75
(Theory: 60 – Term Paper: 15)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions. All questions carry equal marks.

Objective of the Course: This paper attempts to make the students understand and operate computers. Various important practical aspects of computer applications like Windows XP, MS Word and MS Power Point will be taught to the students. The students will also be made aware of the role and importance of computers in research in Public Administration and use of SPSS for data analysis in social sciences.

Computer Applications in Public Administration

Types of Operating Systems, features of OS with special reference to Windows

MS-Word – Starting word; toolbars; editing; formatting; automating tasks; tables; multi-page documents; templates; pictures and drawings; macros

MS-POWER POINT – Creating and editing slides; adding images and charts; toolbars and tools; printing slides; creating a presentation; templates; auto content wizard; viewing a presentation

Using SPSS for data processing and analysis in social sciences: Objectives of the package; creating a file and entering data; tables and graphs for one and two variables; descriptive statistics for one and two variables; sampling distribution; analysis of variance; chi square test.

Role of Computers in Social Science Research.

Role of Computers in Public Administration.
