PANJAB UNIVERSITY CHANDIGARH
M.Phil. Syllabus Public Administration 2021-22

Outlines of tests, syllabi and courses of reading for M.Phil. Course in Public Administration for the session 2021-22

First Semester

Paper	Title	Credits	Marks
Paper-I	Administrative Theories and Thinkers	3	75
Paper-II	Advanced Research Methodology and Research in Public Administration	4	100
Paper –III	Public Policy	3	75
Paper – IV(a)	Research and Publication Ethics	1	25

Second Semester

Paper	Title	Credits	Marks
Paper – IV(b)	Research and Publication Ethics	1	25
Paper-V	Dynamics of Indian Administration	3	75
Any one of the following*			
Paper - VI(a)	Local Governance in India	3	75
Paper - VI(b)	Economic Administration and Public Enterprise Management	3	75
Paper - VI(c)	Dynamics of Social Administration	3	75
Paper-VII	Dissertation		
	a) Research Design Preparation and Presentation	1	25
	b) Dissertation	4	100
	c) Viva-Voce	1	25

***A minimum of 5 students will be required to run an option**

Note:

1. As per the decision of the Board of Control 80% weightage is to be given to theory examination and 20% to Term Papers (Content & Presentation)/Book Reviews /Class Participation in each paper.

2. Pass percentage: 55%

Semester-I

Paper-I: Administrative Theories and Thinkers

Credits 3
Max. Marks: 75
(Theory: 60 – Term Paper: 15)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions, 1 from each Unit. All questions carry equal marks.

Objective of the Course: The objective of this paper is to make the students understand from a critical point of view the theoretical perspective of Public Administration by introducing students to a comprehensive set of concepts and approaches in Public Administration. The attempt would also be to discuss the contribution of administrative thinkers in the field of Public Administration.

Pedagogy: Class Room Teaching, Presentations, Assignments, Discussions and Book Reviews.

Unit – I

Paradigms of Public Administration
Globalization and Public Administration
New Public Management and New Public Service

Unit – II

Classical Approach (H. Fayol & Fredrick W. Taylor)
Bureaucratic Approach (Max Weber, Robert Merton)
Ecological Approach (Fred W. Riggs)

Unit – III

Human Relations and Behavioural Approach (Elton Mayo, Abraham Maslow, F.Herzberg and Douglas McGregor)
Decision Making Theory (Simon);
Public Choice Theory (Vincent Ostrom);
Principal Agent Theory

Unit – IV

Indian Thought: Kautilya; Mahatma Gandhi;
Knowledge Based Organisations (Peter Drucker)
Theory of Networked Organisations
Critical Theory and Public Administration

Paper-II: Advanced Research Methodology and Research in Public Administration

Credits 4
Max. Marks: 100
(Theory: 80 – Term Paper: 20)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions, 1 from each Unit. All questions carry equal marks.

Objective of the Course: The objectives of this paper are (i) to acquaint the students with the advances in the field of Research Methodology; and (ii) develop research methodological skills for undertaking research in social sciences in general and in a discipline in particular.

Pedagogy: Class Room Teaching, Presentations, Assignments, Discussions, Book Reviews and Workshops.

Unit – I

Philosophy of Social Science
Approaches to Social Science Research: Quantitative & Qualitative
Inter-disciplinary Research in Social Sciences: Rationale and Approaches

Unit – II

Selection and Formulation of Research Problem
Research Proposal: Concept, Format and Writing
Global Trends in Public Administration Teaching and Research (with special reference to India)

Unit – III

Descriptive Statistics: A Conceptual Overview
Frequencies, percentages and Proportions
Measures of Central Tendency
Standard Deviation; Shapes of Distributions
Correlation Analysis
Regression Analysis

Inferential Statistics: A Conceptual Overview
Sample Size
Standard Error of Mean
Null Hypothesis; Interpreting the t-Test
ANOVA; Chi-Square

Unit – IV

Methods of Primary Data Collection: Observation, Questionnaire, Interview, Focus Group Discussion
Secondary Data: Big Data and Open Data; Content Analysis
Triangulation and Meta Analysis: Concept, Rationale and Process
Processing Software: Using 'R'

Paper-III: Public Policy **Credits 3**

Max. Marks: 75
(Theory: 60 – Term Paper: 15)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions, 1 from each Unit. All questions carry equal marks.

Objective of the Paper: This course seeks to update the scholars on the state of policy sciences, the emerging policy concerns and their global dimensions, reinforce the understanding of the working of the public policy processes and the environment with special reference to India. Policy analysis will be understood as a tool of research and evaluation with the help of assignment work. The pedagogy will include seminars, in the flipped classroom mode, through which the scholars will share their conceptual understanding and experiences from the field, learn from and help each other.

Pedagogy: Class Room Teaching, Presentations, Assignments, Policy Briefs, Case Studies, Discussions, Writing of Response Papers and Book Reviews.

Unit – I

Policy Sciences: A Historical Progression
Policy Making Models: Incrementalist Models; Rationalist Models

Unit – II

Policy Environment in a Democratic Society
Approaches to Policy Analysis; Agenda Setting; Policy Design

Unit – III

Policy Implementation: Theories, Models and Modes
Policy Monitoring: Role, Approaches and Techniques
Policy Evaluation: Approaches and Techniques

Unit – IV

Policy Analysis – Case Studies from India:

i) The New Economic Policy 1991
ii) National Policy on the Voluntary Sector 2007
iii) National Policy on Education 2020
iv) National Food Security Act, 2013

Paper-IV(a): Research and Publication Ethics

Credits: 1

Max. Marks: 25
(Theory: 10 Internal Assessment: 15)
Time: 2 Hours

Note: There shall be 10 questions in all carrying 2 marks each i.e. 5 questions in each unit. The candidate is required to attempt any 5 questions covering at least 2 from each unit.

Objective of the Paper: This course aims to develop an understanding of ethical issues related to research and publication. The students will acquire skills to write research papers/thesis following publication ethics. Workshops have been designed to internalize ethical issues through in-depth discussion in order to identify research misconduct and predatory publications. Indexing and citation databases, open access publications, research metrics (citations, h-index, Impact Factor, etc.) and plagiarism tools will be introduced in this course. Continuous assessment will be done through tutorials, written assignments, presentations and participation in workshops.

Pedagogy: Class Room Teaching, Paper/Assignment, Presentations, Book Reviews &Workshops.

Unit-I

Ethics and Scientific Conduct

Introductionto Ethics: Concept,philosophy, natureandscope
Ethicswithrespecttoscienceandresearch. Intellectualhonestyandresearch integrity.
Scientificmisconducts:Falsification,Fabrication,andPlagiarism(FFP); salamislicing;
selectivereportingandmisrepresentationofdata.

Unit-II

Academic Writing

Good Academic Writing: Concept and Significance
Elements of Writing: Purpose, Clarity, Coherence, Process
Types of Academic Writing; difference between Academic Writing and other Writings.
Referencing Style and Bibliography.

Workshops

Paper-V: Dynamics of Indian Administration **Credits 3**

Max. Marks: 75
(Theory: 60 – Term Paper:15)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions, 1 from each Unit. All questions carry equal marks.

Objective of the Paper: The attempt of this paper is to make the students understand the current issues and problems confronting the administration in India in the context of the nature and working of the Indian political and administrative system.

Pedagogy: Class Room Teaching, Presentations, Assignments, Discussions and Book Reviews.

Unit – I

Indian Political System: Parliamentary Democracy: Centre-State Relations
Role of Judiciary,Judicial Accountability, Judicial Activism

Unit – II

Indian Administrative System; Administrative Reforms in India
Rights Based Approach to Service Delivery: Right to Information; Right to Education; Right to Service

Unit – III

Good Governance Initiatives: Citizen Charter; Social Audit; E-Governance: Concept, Practices and Challenges; Results-Framework Document (RFD)
Select Issues in Indian Administration: Administrative Ethics; Integrity; Anti-Corruption initiatives; NGO-Government Interface

Unit – IV

Role of Administration inImplementation of developmentprogrammes at grassroots level in the following areas:

i) Health
ii) Education
iii) Poverty Alleviation
iv) Skill Development and Entrepreneurship
v) Sustainable Livelihood

Paper- VI(a): Local Governance in India

Credits 3
Max. Marks: 75
(Theory: 60 – Term Paper: 15)
Time: 3 Hours

Note: There shall be 8 questions in all. The candidate is required to attempt any 4 questions, 1 from each Unit. All questions carry equal marks.

Objectives of the Course: Local Governance which has traditionally been the core area of Public Administration will be taught to the students from the historical perspective. The constitutional provisions as well as political and administrative structure for local governance will also be taught to the students. The students will also be made aware of the important areas like rural and urban development and the role of Non-Governmental Organisations.

Pedagogy: Class Room Teaching, Presentations, Assignments, Discussions and Book Reviews.

Unit-I

Local Governance – Significance, Evolution and Constitutional FrameworkDemocratic Decentralization – Concept and Rationale in the current scenario of Globalization and changing role of State; Role of Civil Society

Unit-II

Political and Administrative Structure for Local Governance
Issues relating to Autonomy vs. Control, Personnel, Finances and Local Planning

Unit-III

Rural Problems, Challenges to Rural Development
Major Programmes for Rural Development

Unit-IV

Urban Problems, Challenges and Urban Planning and Management
Urban Growth and Major Programmes for Urban Development
