Skill Enhancement Course (SEC 2)		Data collection and handling-II	3
Value Added Course (VAC-2)		Introduction to Environmental Economics	2

SEMESTER–I

DSC-ECO–

Paper- Principles of Micro Economics

Topology of the code	**Major/Minor**
Level of the Course	**100-199**
Course Duration /LTP (Lectures, Tutorials, Practical)	**L= 60 hours (4 hours a week for 15 weeks= 01 semester), T=0, P=0**
Credits	**4**
Max. Marks	**100 Marks = Theory 90 marks + Internal Assessment 10 marks**
Time	**3 hours**

Course Objective:- Microeconomics is concerned with the analysis of economic phenomen a from the perspective of the individual. The course covers the basic concepts and tools needed to undertake the analysis of such problems that arise due to the law of scarcity. The course also aims at introduction of the functioning of competitive and noncompetitive product markets and performance of the markets for resources. The students are expected to develop rudimentary understanding of how and why consumers, firms, and markets in the economy function the way they do.

Course Outcomes: - 1. To train them to think like an economist. 2. To rigorously and comprehensively equip the students with theoretical concepts, methodology and process of reasoning involved in analyzing economic behavior of individuals, firms and markets using, in general, a static and partial equilibrium framework.

Pedagogy of the Course Work : 90% Class room teaching.

10% Internal Evaluation

Instructions for Paper-setter and candidates:

- The maximum marks for the paper will be 100. The question paper will be of 90 marks and continuous evaluation10 marks. Time allowed will be 3 hours.

The paper-setter must put a note in the question paper in this regard.

- There shall be **9** questions in all.

The first question is **compulsory** comprising 12 short answer type questions spread over the whole syllabus. The candidates are required to attempt 9 questions. Each question shall be of **two** marks (9x2=18).

Rest of the paper shall contain four units. Two questions shall be asked from each unit and the candidates shall be given internal choice. The candidates shall attempt one question from each unit. Each question will carry 18marks (18x4=72).
