(Estted. under the Panjab University Act VII of 1947- enacted by the Govt. of India)

FACULTY OF ARTS

SYLLABI

FOR

ADVANCED DIPLOMA
IN
DISASTER MANAGEMENT AND CORPORATE SECURITY
(SEMESTER SYSTEM) w.e.f. session 2023-24 (only CDOE)

--:O:--

PANJAB UNIVERSITY, CHANDIGARH

Outlines of tests, syllabi and courses of reading for Advanced Diploma in Disaster Management and Corporate Security (Semester System) for the examinations of 2023-24.

Note:

The course comprises of 2 semesters. The one year diploma course contains 3 papers in first semester and 3 papers in second semester. Each paper shall be of 100 marks. Paper I-V shall each consist of written examination of 80 marks and Internal Assessment of 20 marks based on a written assignment. Paper-VI is project based, comprising a Project Report of 70 marks and Internal Assessment of 30 marks to be awarded on the basis of the viva-voce. Each student is required to take up a project based on case studies and fieldwork, for paper VI.

Semester -1	**Marks**	
Paper	**Theory**	**Internal Assessment**
Paper I- Disaster Management –Conceptual Framework	80	20
Paper II- Human Resource Management	80	20
Paper III- Disaster Security Planning	80	20

Semester -2	**Marks**	
Paper	**Theory**	**Internal Assessment**
Paper IV- Dynamics of Corporate Security	80	20
Paper V- Security Awareness Programmes in Corporate Sector	80	20
Paper VI- Project Report + Viva-voce	70 +	30 (Viva-voce)

SEMESTER -I

Paper 1- Disaster Management –Conceptual Framework

Max Marks: 100
Theory Paper: 80
Internal Assessment: 20
Time: 3 Hours

Objective- The main objective of this paper is to raise the level of awareness and preparedness as well as to enhance analytical skills and professional competence of different key stakeholders in the discipline of Disaster Management. This paper addresses all stages of disaster management in a comprehensive and holistic manner; including (i) meaning and types of disasters, (ii) pre-disaster preparedness and mitigation, (iii) rescue and relief in the context of disaster and (iv) post disaster rehabilitation, reconstruction and recovery.

Note:

1. A compulsory question containing 15 short answer type questions shall be set covering the whole syllabus. The student shall attempt any 10 parts in about 25-30 words each. Each part shall carry 2 marks (total 20 marks).
2. A total of eight questions will be set out of the whole syllabus, at least two from each unit. The candidates will attempt four questions selecting one from each unit carrying 15 marks each. These will be in addition to the compulsory question at serial number I.
3. The theory question paper will be of 80 marks and 20 marks will be for internal assessment.

Unit -I

Disaster Management: Definition, Concepts, Principles, Scope, Objectives and Approaches

Elements of Disaster Management

Nature, Characteristics and Types of Disasters

Unit -II

Classification of Disasters; conceptualizing the interface between Environmental Degradation and Disasters

Nuclear, Chemical and Industrial Disasters

Unit- III

Disaster Issues and Crisis Management: Definitions and Overview of Risks and Dangers

Disaster Mitigation: Hazard Assessment, Vulnerability Assessment, Risk Assessment, Protective Measures and Public Information

Unit- IV

Essentials of Disaster Management; Institutional and Individual Responsibilities During Risk Reduction, Preparedness, Response and Recovery Phases

Disaster Preparedness: Disaster Plan, Damage Inspection, Repair and Recovery procedures, Communication and Control Centres, Disaster Forecasting, Warning and Prediction

Suggested Readings:

1. Ahmed, Shaik Iftikhar (2008): Disaster Management in the Wake of a Flood, Twenty First Century Publications, Patiala.
2. Chakraborty, S.C. (2007): Natural Hazards and Disaster Management, Pragatishil Prakashak, Kolkata.
3. Goel. S.L., Kumar, Ram, (2001): Disaster Management Deep and Deep Publications, New Delhi.
4. Goel, S.L. (2006): Encyclopaedia of Disaster Management, Deep and Deep Publications, New Delhi.
5. Kapur, A. (2005): Disasters in India: Studies of Grim Reality, Rawat Publications, Jaipur.
6. Kapur, A, (2010): Vulnerable India: A Geographical Study of Disasters, Sage Publications, New Delhi.
7. Narayan, B., (2000): Disaster Management; APH Publishing Corporation, New Delhi.
8. Pasricha, Ashu,(2014): Disaster Management and Strategies: Concept and Methods. Risk Reduction & Insurance: Experiences &Case Studies, Regal Pub, New Delhi.
9. Sahni, Pardeep, et al., (eds.) (2002), Disaster Mitigation Experiences and Reflections, Prentice Hall of India, New Delhi.
10. Sinha, P.C. (Ed.) (1998): Encyclopaedia of Disaster Management; Anmol Publications, New Delhi.

Paper II- Human Resource Management

Max Marks: 100
Theory Paper: 80
Internal Assessment: 20
Time: 3 Hours

Objective- Main objectives of this paper are to familiarize the students with the Human Resource Management in Disaster management.

Note:

1. A compulsory question containing 15 short answer type questions shall be set covering the whole syllabus. The student shall attempt any 10 parts in about 25-30 words each. Each part shall carry 2 marks (total 20 marks).

2. A total of eight questions will be set out of the whole syllabus, at least two from each unit. The candidates will attempt four questions selecting one from each unit carrying 15 marks each. These will be in addition to the compulsory question at serial number I.
3. The theory question paper will be of 80 marks and 20 marks will be for internal assessment.

Unit– 1

Institutional Framework of Disaster Management in India

Principles and Practice of Disaster Response Operations and Management, Disaster Planning, Emergency Management, Incident Command Centre, Training Need Analysis and Human Resource Development Plan

Corporate/Public Agency Coordination, the Human Element in Preparedness Planning, Current Trends in Disaster Preparedness.

Unit- II

Community Participation in Disaster Management and Risk Reduction

Role and responsibility of Central, State, District and Local Administration

Role of Armed Forces, Police, Para-Military Forces, Civil Defence

Role of National Service Scheme, NGO's, Media and International Agencies

Unit- III

Disaster Management Training – Policies, Emergency Management Teams, Managing Media

Mobilization of Available and Non-Available Resources

Social and Economic Upliftment Measures: Capacity Building for Re-Construction and Rehabilitation, Fostering Skills of Livelihood, Training and Awareness Programme, Medical Aid and Counselling

Unit- IV

Relocation, Re-Construction and Redevelopment of Housing, Corporate Buildings, Roads, Dams, Bridges, Archives, Monuments including Water Supplies, Electricity, Communication, Waste Management.

Allocation and Management of Resources:

a. Financial Aid/ Resources
b. Medical Resources
c. Electrical, Mechanical and Engineering Resources
d. Communication Resources (including its integration with command and control mechanism)
e. Transportation Resources

f. Food and Essential Commodity Resources
g. Human Resources
h. Infrastructure Restoration and Build Up

Suggested Readings:

1. Government of India/United Nations Development, Disaster Risk Management Programme (2002-07): Community Based Disaster Preparedness and Risk Reduction Through Participation of Committees and Local Self Governments.

11. Pasricha, Ashu,(2014): Disaster Management and Strategies: Concept and Methods, Risk Reduction & Insurance: Experiences &Case Studies, Regal Pub, New Delhi.
12. Sahni, Pardeep (2003): Disaster Risk Reduction in South Asia, Prentice Hall of India, New Delhi.
13. World Development Report, (1999): Development and the Environment, Oxford University Press, New Delhi.

Paper III- Disaster Security Planning

Max Marks: 100
Theory Paper: 80
Internal Assessment: 20
Time: 3 Hours

Objective-Main objectives of this paper are to familiarize the students with the Disaster Security Planning & Recovery Planning in Disaster Management.

Note:

1. A compulsory question containing 15 short answer type questions shall be set covering the whole syllabus. The student shall attempt any 10 parts in about 25-30 words each. Each part shall carry 2 marks(total 20 marks).
2. A total of eight questions will be set out of the whole syllabus, at least two from each unit. The candidates will attempt four questions selecting one from each unit carrying 15 marks each. These will be in addition to the compulsory question at serial number 1.
3. The theory question paper will be of 80 marks and 20 marks will be for internal assessment.

Unit -I

Stakeholders in Disaster Management

Planning and Designing Disaster Management Strategies, Policies, Schemes, Standard Operating Procedure for Enhancing Preparedness and Capabilities at National and Regional Level at the Time of Disasters.

Identifying Potential Crisis Situations – Preparing Sound Crisis Management Plan, (Crisis Communication, Stress Management, Crisis Operational Guidelines).

Unit- II

The Role of Corporates, Civil Society/ Community in Disaster Management

IEDs/Bomb Threat Planning, Nuclear Biological and Chemical (NBC) Threat and Safety Measures, Forest Fires, Oil Fires, Crisis in Power Sector, Accidents in Coal Mines, Terrorism and Emergency Management

Unit- III

Reconstruction Planning: Meaning and Significance.

Identifying Potential Crisis Situations: Case Studies to analyze the Potential impact of Disasters, Foundation of a Sound Crisis Management Plan.

Unit- IV

The Disaster Recovery Planning: Emergency Management Teams, National and International Disaster Recovery Policies, Managing the Economy and Essential Services in Emergencies

Economic and Social Rehabilitation

Disaster Appreciations based on Mock drill Exercises undertaken in Collaboration with Specialized Agencies and other Functionaries

Suggested Readings:

1. Ghosh, G.K., (2006): Disaster Management, Vol. I-VI, APH Publishing Corporation, New Delhi.

2. Government of India/United Nations Development, Disaster Risk Management Programme (2002-07): Community Based Disaster Preparedness and Risk Reduction through Participation of Committees and Local Self Governments.
3. Kamta Prasad (ed.), (2000): NGOs and Socio-Economic Development Opportunities, Deep and Deep Publications, New Delhi.
4. Krajeswki & Ritzman, (2001): Operation Management Strategy & Analysis, Prentice Hall, New Delhi.
5. Modh Satish (2006): Citizens Guide to Disaster Management: How to Save Your Own Life and Help Others, McMillan India, New Delhi.

7. Mukhopadhaya, A.K., (2005): Crisis and Disaster Management Turbulence and Aftermath, Newage International Publications, New Delhi.
8. Pasricha, Ashu, (2014): Disaster Management and Strategies: Concept and Methods, Risk Reduction & Insurance: Experiences & Case Studies, Regal Pub, New Delhi.
9. Sahni, Pardeep (2003): Disaster Risk Reduction in South Asia, Prentice Hall of India, New Delhi.
10. Trivedi, P.R., (2007): Encyclopedia of Disaster Management, Vol. 1-12, Jnananda Prakashan, New Delhi.

SEMESTER-II

Paper IV- Dynamics of Corporate Security

Max Marks: 100
Theory Paper: 80
Internal Assessment: 20
Time: 3 Hours

Objective-Main objectives of this paper are to familiarize the students with meaning of Corporate Security and disasters in corporate sector.

Note:

1. A compulsory question containing 15 short answer type questions shall be set covering the whole syllabus. The student shall attempt any 10 parts in about 25-30 words each. Each part shall carry 2 marks (total 20 marks).
2. A total of eight questions will be set out of the whole syllabus, at least two from each unit. The candidates will attempt four questions selecting one from each unit carrying 15 marks each. These will be in addition to the compulsory question at serial number 1.
3. The theory question paper will be of 80 marks and 20 marks will be for internal assessment.

Unit-I

Corporate Security: Definition, Scope and Objectives, Types, Approaches and Significance.

Laws related to Corporate Security, Emergencies and Civil Defence

Unit- II

Disasters in Corporate Sector

Implications of Disaster in Corporate Sector

The use of Information and Technology in Disaster Management by Corporates

Unit- III

Security and Safety of Industrial Sector, Types of Security and Functions

Leadership and Management in Industries, Liaison Skills, Communication Skills and Computers Skills

Unit- IV

Disaster Recovery Plans & Business Continuity Planning, Need of Industrial Safety and Security, Corporate Security Information and Access Control System

Financial Matters and Compensation in Corporates
